Mr. Carter,

That is well beyond the ten to fourteen days you stated. The court has issued a deadline that I do not intend to miss; even if that is just to notice the court of a failure to meet the terms of the settlement agreement. I would also caution against mailing the check to the wrong address. I noticed your firm and the court of my change of address last June.

Given the fact that I do not have access to the ECMF system and the slowdown of mail during the holiday season, I will have to mail notice to the court well before the court ordered deadline of December 10th.

Have a great Thanksgiving

Teri Hinkle
